

SPEAKER GUIDELINES

- *Each speaker is allocated 25-30 minutes for their presentation, followed by a 5-minute question period.*
- *English is the preferred language for presentations. For those in need of translation, please notify us in advance.*
- *Presentations should be submitted in PowerPoint (PPT) format, with a maximum file size of 30MB, labeled with the speaker's first and last name.*
- *Submission of your presentation is required at least 15 days before the conference and should be sent to contact@wisdomconferences.org. We also advise bringing a backup copy on a hard disk or pen drive.*
- *Equipment provided in the meeting room includes a digital projector, screen, laptop, slide presenter with pointer, microphone, and basic sound system.*

CERTIFICATION

- *Participants will receive certificates from the session chair or co-chair either after the conference or following their presentation.*

POSTER PRESENTATION

- *Poster presentations should measure 1 meter in height by 1 meter in width. All posters must be mounted on the walls one hour before the start of the poster sessions, as specified in the final program. Certificates will be distributed either during the closing ceremony at the end of the conference or upon the conclusion of the poster sessions.*
