We are delighted to invite you to attend the International Conference on Cardiology and Cardiovascular Science, a globally recognized platform dedicated to bringing together cardiologists, cardiovascular surgeons, physicians, researchers, academicians, healthcare professionals, clinical specialists, biomedical scientists, medical device innovators, industry leaders, policymakers, and students from around the world to explore the latest advancements, emerging trends, and transformative innovations in cardiovascular medicine and heart health. Scheduled to take place in the vibrant city of Barcelona, Spain, from September 27–29, 2027, the conference will provide an exceptional opportunity for scientific knowledge exchange, professional networking, interdisciplinary collaboration, and the development of innovative solutions to address the growing global burden of cardiovascular diseases.

Centered around the theme "From Prevention to Precision: The Future of Cardiovascular Medicine," the conference will highlight the critical role of preventive cardiology, precision medicine, advanced cardiovascular diagnostics, interventional cardiology, cardiac imaging, electrophysiology, heart failure management, structural heart disease, cardiovascular surgery, digital health technologies, artificial intelligence in cardiology, regenerative medicine, and personalized treatment strategies in improving patient outcomes and advancing the future of cardiovascular care.

Join leading cardiologists, cardiovascular researchers, clinicians, surgeons, healthcare professionals, medical technology innovators, industry experts, policymakers, and academic leaders in Barcelona, Spain, to discover groundbreaking research, exchange visionary ideas, establish meaningful international collaborations, and contribute to shaping the future of cardiovascular medicine, precision healthcare, and global heart health.

We look forward to welcoming you to Barcelona, Spain.

With Best Regards,
Cardiology 2027
Organizing Committee

Abstract Submission

We invite researchers, academicians, industry experts and students to submit your original research work for presentation at **Cardiology 2027**.

PARIS ATTRACTIONS

The Sagrada Família is Barcelona's most iconic landmark and a masterpiece designed by renowned architect Antoni Gaudí. Celebrated for its breathtaking architecture, intricate façades, and stunning stained-glass interiors, this extraordinary basilica seamlessly blends art, faith, and innovation, making it one of the world's most remarkable architectural wonders.

The Palau de la Música Catalana is a UNESCO World Heritage concert hall renowned for its magnificent Modernist architecture and exceptional artistic heritage. Adorned with intricate mosaics, colorful stained glass, and elegant sculptures, it hosts world-class musical performances, offering visitors an unforgettable cultural and architectural experience in the heart of Barcelona.

Park Güell is one of Barcelona's most iconic attractions, designed by the visionary architect Antoni Gaudí. Famous for its vibrant mosaic art, imaginative architectural structures, and beautifully landscaped gardens, the park offers breathtaking panoramic views of Barcelona while showcasing Gaudí's unique blend of nature, creativity, and artistic innovation.

Previous Conference Highlights

Wisdom Conferences successfully organized an international conference from June 08–10, 2026, in Paris, France. The event featured a successful 2-day scientific program with keynote lectures, oral presentations, invited talks, and interactive discussions. The conference was held at Hotel Oceania Roissy CDG, Paris, France, bringing together researchers, academicians, scientists, and industry professionals from around the world. The edition successfully showcased impactful presentations, encouraged knowledge exchange, and provided valuable opportunities for global collaboration and networking. We are proud to have created a dynamic environment that encouraged global cooperation, research innovation, and professional connections. The success of this conference reflects our continued commitment to organizing high-quality international scientific gatherings that inspire progress and collaboration within the global research community.
