VENUE ATTRACTIONS

PREVIOUS EDITIONS

Wisdom Conferences successfully hosted an international scientific conference from June 08-10, 2026, in Paris, France, at Hotel Oceania Roissy CDG. The conference brought together renowned researchers, academicians, scientists, clinicians, and industry professionals from around the world for an engaging scientific program featuring keynote lectures, invited talks, oral presentations, and interactive discussions. The event fostered knowledge exchange, international collaboration, and professional networking, reflecting Wisdom Conferences' commitment to organizing high-quality global scientific events that advance research and innovation.

WHO CAN ATTEND?

- Emergency Physicians & Trauma Surgeons
- Critical Care Specialists & Intensivists
- Professors, Emeritus Professors & Academic Leaders
- Researchers, Scientists & Clinical Investigators
