

Tentative Program

2nd INTERNATIONAL CONFERENCE ON ENVIRONMENTAL SCIENCE & GREEN ENERGY

Theme: Driving Global Sustainability Through Climate Innovation,
Environmental Science & Clean Energy Technologies

MAY 17–19, 2027

PARIS, FRANCE

<https://wisdomconferences.com/environmental-science>

Conference Schedule

MAY 17 - 19, 2027

08:00-09:00

Registrations

09:00-09:30

Opening Ceremony

09:30-10:30

Plenary Session

10:30-11:00

Refreshment Break

11:00-12:30

Keynote Session

12:30-15:00

Speaker Sessions

15:00-15:30

Refreshment Break

15:30-18:00

Speaker Sessions

CONFERENCE INVITATION

We are delighted to invite you to attend the 2nd International Conference on Environmental Science & Green Energy, a globally recognized platform dedicated to bringing together researchers, academicians, environmental scientists, climate experts, policymakers, industry leaders, innovators, sustainability professionals, and technology pioneers from around the world to discuss the latest advancements, emerging trends, and transformative innovations in environmental science, climate technologies, and clean energy solutions. Scheduled to take place in the iconic city of Paris, France, from May 17–19, 2027, the conference will provide an outstanding opportunity for networking, knowledge exchange, interdisciplinary collaboration, and the development of innovative strategies to address global environmental challenges.

Centered around the theme “Driving Global Sustainability Through Climate Innovation, Environmental Science & Green Energy Technologies,” the conference will highlight the critical role of environmental research, climate resilience, renewable energy, green technologies, sustainable resource management, carbon reduction strategies, circular economy practices, biodiversity conservation, and clean energy innovations in creating a sustainable future.

Join leading researchers, environmental professionals, climate innovators, renewable energy experts, policymakers, and sustainability advocates in Paris, France, to discover groundbreaking research, exchange visionary ideas, foster international collaborations, and contribute to shaping a cleaner, greener, and more sustainable future through Environmental Science and Green Energy.

We look forward to welcoming you to Paris, France.

With Best Regards,
Environmental Science 2027
Organizing Committee

Abstract Submission

We invite researchers, academicians, industry experts and students to submit your original research work for presentation at **ESGE 2027**.

PARIS ATTRACTIONS

The Eiffel Tower, the iconic symbol of Paris, is one of the world's most celebrated landmarks. Standing majestically along the Seine River, it offers breathtaking panoramic views of the city from its observation decks. Renowned for its remarkable iron lattice architecture and stunning illuminations at night, the Eiffel Tower is a must-visit destination that beautifully showcases the charm, history, and elegance of Paris.

The Champs-Élysées is one of the world's most famous avenues, lined with elegant boutiques, cafés, and cultural attractions. At its western end stands the magnificent Arc de Triomphe, a historic monument honoring France's military victories and the bravery of its soldiers. Together, these iconic landmarks offer visitors a perfect blend of history, culture, and the vibrant atmosphere of Paris.

Disneyland Paris is a world-renowned theme park destination that brings Disney's magic to life through thrilling attractions, enchanting entertainment, and unforgettable experiences. Featuring beloved Disney characters, spectacular shows, themed lands, and exciting rides for all ages, it offers a memorable adventure for families, friends, and visitors from around the world.

Previous Conference Highlights

Wisdom Conferences successfully organized an international conference from Environmental Science, & Green Energy June 08–10, 2026, in Paris, France. The event featured a successful 2-day scientific program with keynote lectures, oral presentations, invited talks, and interactive discussions. The conference was held at Hotel Oceania Roissy CDG, Paris, France, bringing together researchers, academicians, scientists, and industry professionals from around the world. The edition successfully showcased impactful presentations, encouraged knowledge exchange, and provided valuable opportunities for global collaboration and networking. We are proud to have created a dynamic environment that encouraged global cooperation, research innovation, and professional connections. The success of this conference reflects our continued commitment to organizing high-quality international scientific gatherings that inspire progress and collaboration within the global research community.
