WATER SCIENCE, ENVIRONMENTAL ENGINEERING & SUSTAINABILITY

CONFERENCE SCHEDULE

08:00 – 09:00

REGISTRATIONS

Participant check-in and registration.

09:00 – 09:30

OPENING CEREMONY

Welcome address, introduction of dignitaries and opening remarks.

09:30 – 10:30

PLENARY SESSION

Keynote presentations from distinguished experts on global water and sustainability challenges.

10:30 – 11:00

REFRESHMENT BREAK

Networking and refreshments.

11:00 – 12:30

KEYNOTE SESSION

Inspiring keynote talks on innovative solutions in water science and environmental engineering.

12:30 – 13:30

LUNCH BREAK

Lunch and networking opportunity.

13:30 – 15:00

TECHNICAL SESSIONS

Parallel presentations on water treatment, resource management, climate resilience and sustainability.

15:00 – 15:30

REFRESHMENT BREAK

Networking and refreshments.

15:30 – 17:30

TECHNICAL SESSIONS

Continued parallel sessions and poster presentations.

17:30 – 18:00

CLOSING CEREMONY

Awards, closing remarks and vote of thanks.

YOU ARE CORDIALLY INVITED TO THE

INTERNATIONAL CONFERENCE ON

WATER SCIENCE, ENVIRONMENTAL ENGINEERING & SUSTAINABILITY

 NOVEMBER 15–17, 2027 |  AMSTERDAM, NETHERLANDS

We are delighted to invite you to the International Conference on Water Science, Environmental Engineering & Sustainability, taking place from **November 15–17, 2027, in Amsterdam, Netherlands**. This prestigious international event will bring together leading water scientists, environmental engineers, researchers, academicians, policymakers, industry professionals, and sustainability experts from around the world to share the latest advancements, foster collaboration, and drive innovation in water and environmental sciences.

Under the theme, “**Smart Water Technologies, Green Engineering & Sustainable Solutions for Global Water Challenges**,” the conference will provide a distinguished platform for presenting innovative research, exploring emerging technologies, discussing sustainable practices, and advancing effective solutions to the complex water and environmental challenges facing communities worldwide.

The conference will feature keynote lectures, plenary sessions, panel discussions, interactive workshops, and scientific presentations delivered by internationally recognized experts. These sessions will provide an exceptional opportunity for knowledge exchange, professional networking, collaboration, and discussion of the emerging trends, challenges, and opportunities shaping the future of water science, environmental engineering, and sustainability.

We would be honoured to welcome you to Amsterdam, where your valuable expertise and participation will contribute to meaningful scientific dialogue and the advancement of smart water technologies, green engineering, sustainable resource management, and innovative environmental solutions.

We look forward to welcoming you to an inspiring, engaging, and memorable scientific experience in Amsterdam.

*We look forward to seeing you
in Amsterdam!*

With Best Regards,
Water Science 2027

AMSTERDAM, NETHERLANDS

A City of Canals, Culture & Timeless Charm

RIJKSMUSEUM

Discover masterpieces by Rembrandt, Vermeer and other Dutch artists in one of Amsterdam's most famous museums.

ANNE FRANK HOUSE

Visit the preserved hiding place where Anne Frank and her family lived during World War II and learn about her remarkable story.

A'DAM LOOKOUT

Enjoy panoramic views across Amsterdam from the observation deck, with an iconic city skyline stretching around you.

MUSEUMPLEIN

Amsterdam's famous Museum Square, home to major cultural attractions and a pleasant place to relax between sightseeing.

VAN GOGH MUSEUM

Explore the world's largest collection of works by Vincent van Gogh, including paintings, drawings and letters.
